TO ALL PARTICIPATING CONTRACTORS

The purpose of these guidelines for participation is to assist employers in understanding the requirements for remittance reporting to the Plumbers and Pipefitters National Pension Fund. Under the Employee Retirement Income Security Act (ERISA), an employer is required to make contributions to the Fund in conformity with the collective bargaining agreement and the trust documents governing the operation and administration of the Fund. These guidelines describe these requirements and explain the Fund's employer audit program and the procedures for collecting delinquent contributions. The Fund's policy on refund of erroneous contributions is also explained.

Federal law governs who can and cannot be covered by the Plumbers and Pipefitters National Pension Fund. If you are a new employer and you wish to be covered as an employee, please study the section on rules affecting your participation. By law, multiemployer plans, like the Plumbers and Pipefitters National Pension Fund, must be established and administered for the sole and exclusive benefit of employees. These guidelines set forth the Fund's policy concerning the participation of owners, officers and management employees associated with participating contractors.

If you have any questions concerning your remittance reporting, please write the Fund office.

Sincerely yours,

THE BOARD OF TRUSTEES

I. COLLECTIVE BARGAINING AGREEMENT REQUIREMENT

Employers participating in the Plumbers and Pipefitters National Pension Fund must be bound to a collective bargaining agreement requiring contributions to the Fund on behalf of employees who work in job categories covered by the agreement. Criteria for payment is not based on whether or not the employee is a member of the union but on whether or not he is performing work covered by the collective bargaining agreement. Credit is accrued for eligibility purposes in the same manner whether or not the employee is a member of the union.

The Employee Retirement Income Security Act requires employers to make contributions in conformity with the terms of the collective bargaining agreement and the terms of the trust documents governing the administration of the Fund. The Trustees have adopted certain language, which must be included in the collective bargaining agreement in order to continue the participation of the employer in the Fund. This language has been incorporated into the attached Revised Standard Form of Participation Agreement, which is printed on pages 36 through 38.

Some of a contractor's employees may be "travelers" from other local areas who normally participate in a different pension fund. If such an employee's "home fund" has signed a reciprocal agreement with the Plumbers and Pipefitters National Pension Fund, his contributions will be forwarded by the National Pension Fund to his home fund. In this manner, the employee's benefits will be protected and he will obtain benefits from his home fund. Contributions must be remitted to the National Pension Fund if such contributions are stipulated in the collective bargaining agreement governing the work being performed.

II. THE LEGAL STATUS OF THE FUND

The Plumbers and Pipefitters National Pension Fund is a multiemployer pension plan subject to the Employee Retirement Income Security Act. The Fund is approved by the Internal Revenue Service as tax exempt. The most recent IRS approval letter is printed on pages 46 through 47.

The Fund is established under a Restated Agreement and Declaration of Trust to which each participating employer is bound. As such, the Fund is a separate and distinct organization from the union and the employers. Under the Trust Agreement, each employer has agreed to accept any future Trustees who may be appointed to the Fund. The Trust Agreement begins on page 8.

III. REPORTING PROCEDURES

In accordance with the terms of your collective bargaining agreement and the Trust Agreement, the trustees have established uniform reporting procedures for all employers.

- A. A Remittance Reporting Form will be provided to you to be filed with your payment to the Fund Office. Instructions on how to complete the form are printed on the back of the form. Payments should be sent as indicated on the instructions. All employer remittance reporting forms, along with a check covering the remittance, must be sent to the Fund's bank lock box. The address is: Plumbers and Pipefitters National Pension Fund, P.O. Box 62031, Baltimore, MD 21264-2031. Your IRS assigned Employer Identification Number (EIN) must be included in your first report.
- B. After your first report, you will receive a report monthly which will contain a pre-printed listing of the employees included in your prior month's report. You must add the names of any new employees and delete the names of terminated employees and enter any other necessary information. If you had no employees during the month, you must still file a report indicating that you had no employees. You will be assigned an account number, which must appear, on your remittance reports and on any correspondence.
- C. Your payment must be submitted so that it will be received in the Fund Office no later than the twentieth day following the end of the month being reported.
- D. Hours reported must include all hours for which an employee receives pay. Please note that each overtime hour should be reported as a single hour worked, unless the collective bargaining agreement says otherwise.

IV. DELINQUENCY PROCEDURE

The Trustees are charged by federal law with the responsibility to collect all monies due by employers to the Plumbers and Pipefitters National Pension Fund. They have a right to take all legal steps to collect delinquent contributions. **All Remittance Reports and payments are due at the Fund Office's lock box within twenty days after the end of each calendar month.** If the lock box does not receive your report by the twentieth of the month, you will be considered delinquent.

When an employer is delinquent in payments to the Plumbers and Pipefitters National Pension Fund, the following will occur:

- A. A reminder letter will be sent to the employer.
- B. The Local Union will be notified of the delinquency. *Please note that any participating local union may take action independent of the Plumbers and Pipefitters National Pension Fund under its collective bargaining agreement any time an employer is delinquent in his payments. This may include removal of employees from the jobs of a delinquent employer.*
- C. Liquidated damages and interest may be assessed.
- D. The Trustees may terminate the employer's status as a contributing employer.
- E. The delinquency may be referred to the Fund's attorney for collection.
- F. Legal action will include lawsuits against the employer, suits on bonds, and other appropriate action.

Under Sections 502(g)(2) and 515 of the Employee Retirement Income Security Act, the trustees have the right to file suit in federal court to collect delinquent contributions. If judgment is entered in favor of the Fund, the Act requires the court to award the Fund the unpaid contributions, interest, liquidated damages, cost and attorneys' fees. Interest can be charged up to 18% per annum and liquidated damages are set at 10% of the amount of contributions owed.

In some states, the failure to make fringe benefit fund contributions is a criminal offense. At least one federal court has imposed a prison sentence on the officers of a corporation that willfully filed fraudulent reporting forms.

V. AUDITS OF EMPLOYER RECORDS

Audits of employer records are performed in order to insure that proper payments are made to the Plumbers and Pipefitters National Pension Fund on behalf of all covered employees. Each year, the trustees select local jurisdictions where the employers will be audited.

A certified public accounting firm engaged by the Fund conducts the audits. A representative of the firm will contact companies to be audited to arrange an appointment for the auditor.

Under the collective bargaining agreement and Trust Agreement, the employer must provide the auditor with any payroll information and other required data which will assist him in determining that the proper fringe benefit payments were made for all employees whose wages were covered by the collective bargaining agreement.

It should be noted that most additional payments, which result from field audits, occur because of a misunderstanding of the collective bargaining agreement. Oftentimes, the company has failed to pay for non-union employees who have been performing work covered by the collective bargaining agreement.

Special audits are sometimes necessary because employer delinquency or failure of an employer to report all covered employees or all hours worked. In these cases, the cost of the audit and any legal fees incurred may be charged to the employer. The National Pension Fund may, at certain times, join with a local or regional auditing program sponsored by U.A. local unions or local/regional funds.

In the event any audit reveals a substantial discrepancy, the employer may be billed the cost of the audit in addition to the fringe payments due.

VI. RULES AFFECTING THE PARTICIPATION OF SOLE PROPRIETORS, PARTNERS, CORPORATE STOCKHOLDERS, EMPLOYEES OF A COMPANY OWNED BY A SPOUSE, AND OTHER NON BARGAINING UNIT EMPLOYEES

Note: Because of the IRS minimum coverage and non-discrimination regulations under the Tax Reform Act of 1986, the National Pension Fund has special rules for participation of non bargaining unit employees. These special rules are as follows:

- A. Definition of Employee — Federal law requires that the Plumbers and Pipefitters National Pension Fund be “for the sole and exclusive benefit of employees”. An individual will be considered an employee and must participate in the Fund if he or she is employed by an employer for wages under the collective bargaining agreement in a classification for which contributions are required to the National Pension Fund. In addition, any person, who is involved in the management of an employer, will be considered an employee and may participate in the Fund if he is a bargaining unit alumni and is working at the trade, or if his employer signs a special participation

agreement. A bargaining unit alumni is anyone who was previously covered by the Fund as a member of the bargaining unit. Under the terms of the Revised Standard Form of Participation Agreement, a bargaining unit alumni must be covered if he spends a majority of his time in work regularly performed under the terms of the collective bargaining agreement. The employer must sign and abide by one of the special participation agreements (see pages 39-45) if it wants to cover anyone else who is not a bargaining unit alumni or is not working at the trade. Also, an Owner Employee cannot be covered unless one of the special participation agreements is signed.

- B. **Sole Proprietor or Partner** — A sole proprietor or partner in a partnership is an employer by law and may not participate in the Plumbers and Pipefitters National Pension Fund. A self-employed individual can never be considered an eligible employee unless his business is incorporated. An owner of an unincorporated business is considered an employer and is ineligible to participate in the Fund even if most of his time is spent in a job category covered by the collective bargaining agreement. However, his employees, who are covered by the collective bargaining agreement, must be reported and payments made to the Fund on their behalf.
- C. **Spouse of Principal Owner of an Unincorporated Business** — If any employee is married to one of the principal owners of an unincorporated business and the husband and wife file a joint federal tax return which includes the operation of the business, then that employee may not participate in the Plumbers and Pipefitters National Pension Fund. However, all other employees covered by the collective bargaining agreement must be reported and payments must be made to the Fund on their behalf.
- D. **Owner Employees** — Employees who are corporate stockholders, and who are performing work covered by the collective bargaining agreement for at least half of their time, must be reported as required by the collective bargaining agreement. If any such employee owns 10% or more of the corporation (or whose spouse owns 10% or more of the corporation), the corporation must report the number of hours each week which is specified as a normal full time work week under the collective bargaining agreement. For less than full time owner employees, contributions must be based on the number of hours actually worked provided contributions are made on at least the number of hours resulting from dividing the hourly contribution rate under the Collective Bargaining Agreement into the owner employee's total income from the Employer.

As indicated in A. above, companies who want their owner employees to participate in the Fund must sign a special Participation Agreement. If the owner employee is a bargaining unit alumni who is spending the majority of his time working under the collective bargaining agreement, the Participation Agreement for Employers Covering Owner Employees Working at the Trade Who are Bargaining Unit Alumni on pages 39 through 41 should be signed. Companies with owner employees who are not bargaining unit alumni and/or are not working the majority of their time under the collective bargaining agreement must sign the Participation Agreement Covering Owner Employees and Other Employees Who are not Bargaining Unit Alumni or not Working at the Trade on pages 42 through 45. Contact the Fund Office for a blank copy of the Participation Agreement if your company decides to cover its owner employees.

- E. Working for Other Companies — In some cases, owner employees may work not only for their own corporation but also for other contractors under the collective bargaining agreement during the same month. In such cases, the number of hours for a regular full time work week to be reported by his own corporation in that week may be offset by the actual hours reported by the other contractor. If this situation may apply to you, please contact the Fund Office.

- F. Documentation of Compliance with IRS Rules — Each participating employer must comply with the minimum coverage and non-discrimination requirements of Sections 401 (a) (4) and 410 (b) of the Internal Revenue Code and the regulations issued thereunder. Each year, the National Pension Fund requires that all participating employers fill out, sign and return to the Fund Office a minimum coverage questionnaire. Any participating employers covering owners or covering any employees not working at the trade, must also sign one of the special Participation Agreements supplied by the Fund Office as a condition of the acceptance of such employees for coverage by the Fund (see pages 39 through 45). All participating employers must also be bound by the Revised Standard Form of Participation (see pages 36 through pages 38).

- G. Determination of Ineligibility and Appeal — If the Fund Office determines that any individual is not entitled to coverage by the Fund, the individual or the employer may appeal the decision. If the Fund Office determines that the individual is not eligible for coverage and no appeal is received, any contributions made on the individual's behalf may be returned to the employer under the Fund's refund of erroneous contributions policy.

VII. REFUND OF ERRONEOUS CONTRIBUTIONS

Once contributions are made to the Plumbers and Pipefitters National Pension Fund they may be returned to an employer, in the Trustee's discretion, only if the employer conclusively demonstrates that the contributions were made in error. In determining whether a refund will be made, the trustees will consider all circumstances, including the period of time that has lapsed since the erroneous contributions were made.

The Trustees may require that actual costs and expenses resulting from mistaken employer contributions will be deducted from any refunds. These deductions may include the administrative costs of correcting the mistake, any uncollected benefits paid in reliance on the erroneous contributions or the costs of collecting such benefits, the expenses of any litigation resulting from the adjustment of an employee's pension eligibility to reflect the refunded contributions, and all other costs and losses to the Fund attributable to the mistaken contributions. Interest will not be paid on erroneous contributions as prohibited by the Internal Revenue Service and the Department of Labor.

It is most important that employers review contributions and reports to the Fund to avoid erroneous payments to the Fund. The Fund relies on the accuracy of employer reports to credit employees for pension eligibility and benefits. Unjustified delays in requests for refund of erroneous contributions increase the Fund's costs in correcting an employer's mistake and make it more likely that the Fund has paid pension benefits in reliance on reported contributions or has notified employees of their vested status or their accumulated pension credits. Any errors must, therefore, be reported to the Fund Office promptly. Refunds, if approved, will generally be limited to the two years prior to the request for a refund.

VIII. EMPLOYER WITHDRAWAL LIABILITY

The Multiemployer Pension Plan Amendments Act (MPPAA) of 1980 requires multiemployer pension plans to collect "withdrawal liability" from withdrawing employers if the plan has unfunded vested benefits.

Purpose of the Law

The purpose of the withdrawal liability requirement of MPPAA is to protect the vested benefits of plan participants. Withdrawing employers must cover their share of the cost of the plan's vested benefits that are unfunded at the time that the employer withdraws. This also protects the employers remaining in the plan

from having to shoulder more than their share of the cost of the unfunded vested benefits.

Definition of Withdrawal

The law imposes withdrawal liability in the event of either “complete” or “partial” withdrawal. In the construction industry, a complete withdrawal occurs if the employer ceases to have an obligation to contribute to the plan, but stays in business and continues the same type of work in the same area. This means that a construction contractor does not have liability when it goes out of business. However, such an employer will have withdrawal liability if it restarts the same business to perform the same type of construction work within five years and does not renew its obligation to contribute to the plan.

A partial withdrawal occurs for an employer in the construction industry if the employer’s obligation to contribute to the plan continues for not more than an insubstantial portion of its work in the craft and area jurisdiction of the collective bargaining agreement of the type for which contributions are required. This would occur, for example, if a contractor shifted his work mix in the jurisdiction of the collective bargaining agreement such that a small portion of the employer’s ongoing work in the area remains covered by the plan.

Calculation of Withdrawal Liability

Under MPPAA, construction industry multiemployer plans are required to use the “presumptive method” for allocating unfunded vested benefits to withdrawing employers. Under this method, the first year that a plan has unfunded vested benefits, a “pool” is established which is reduced by 5% per year and, therefore, eliminated after 20 years. For subsequent years, new pools are established representing the total unfunded vested benefits for that year, which are also reduced over 20 years. A share of the pools is allocated to each employer based on the percentage of the total contributions made to the pension fund that were made by that employer during the five years preceding the year the pool was established.

The law imposes no liability on an employer that does not completely or partially withdraw from the multiemployer pension fund. Also, there is no liability if, upon withdrawal, the amount of the employer’s withdrawal liability is less than \$50,000 or $\frac{3}{4}$ of 1% of the plan’s unfunded vested liability, whichever is less.

Effect on the National Pension Fund

Withdrawal liability for either complete or partial withdrawal only applies if the multiemployer pension plan has unfunded vested benefits. Until recently, the Plumbers and Pipefitters National Pension Fund has not had unfunded vested benefits. However, for the Plan Year that ended June 30, 2002, the National Pension Fund for the first time did have unfunded vested benefits. Accordingly, employers that have a complete or partial withdrawal from the National Pension Fund on or after July 1, 2002 may be subject to withdrawal liability.

An employer may obtain general information necessary for it to compute its withdrawal liability with respect to the National Pension Fund by making a written request to the Fund Office. There will be a charge to the employer, payable in advance, if the employer wants an estimate of its potential withdrawal liability or if it wants information that is unique to that employer.

IX. ANY QUESTIONS?

Do not hesitate to write the Fund Office if you have any questions about remittance reporting, an audit, or an employee's eligibility.

ARTICLE III

BOARD OF TRUSTEES

Section 1. Board of Trustees. The operation and administration of the Pension Trust Fund shall be the responsibility of a Board of Trustees, composed of six (6) Trustees, three (3) of whom shall be Employer Trustees, and three (3) Union Trustees. The person who occupies the position of General President of the United Association may, at his option, serve as a Union Trustee. If the General President does not wish to serve as a Trustee, he shall appoint someone else in his place to serve as a Union Trustee. In addition, the General President of the United Association shall appoint all other Union Trustees. The number of Trustees may be increased from time to time but in no event shall there be more than five (5) Employer Trustees and five (5) Union Trustees. There may also be

four (4) Alternate Trustees, two (2) to be appointed by the General President of the United Association and two (2) to be appointed by the Employer Trustees currently serving as such. The Alternate Trustees shall serve in the place and stead of any of the Trustees who are unable to attend regular or special meetings of the Board or who are temporarily incapacitated from serving. At or before such meeting, the Employer or Union Trustees may designate one or more of the Alternate Trustees to serve in the place and stead, respectively, of any absent or temporarily incapacitated Employer or Union Trustee. Six (6) Trustees so named and designated (or any one or more of the Alternate Trustees) shall constitute the Board of Trustees and shall administer the Fund contained herein unless a greater number of Trustees is designated.

Section 2. Acceptance of Trusteeship. A Trustee shall execute a written acceptance in a form satisfactory to the Trustees and consistent with the Act and thereby shall be deemed to have accepted the Trust created and established by this Trust Agreement and to have consented to act as Trustee and to have agreed to administer the Pension Trust Fund as provided herein. Such written acceptance shall be filed at the office of the Fund.

Section 3. Designation or Termination of Trustees. The Employer Trustees, by majority vote among themselves, may designate or terminate the designation of an Employer Trustee or Alternate by notifying the remaining Trustees in writing of their action. The Union Trustees and Alternates shall be designated or the designation terminated by the General President of the United Association, by notifying the remaining Trustees in writing. Any such designations or terminations shall be effective on the date of the filing of such designation or termination with the remaining Trustees.

Section 4. Name. The Trustees shall conduct the business of the Pension Trust Fund and execute all documents and instruments in the name of the Plumbers and Pipefitters National Pension Fund.

Section 5. Resignation and Replacement of Trustees. A Trustee may resign and become and remain fully discharged from all further duty or responsibility hereunder upon giving thirty (30) days' notice in writing to the remaining Trustees and to the United Association if a Union Trustee, or such shorter notice as the remaining Trustees may accept as sufficient. The notice shall state the date on which such resignation shall take effect; and such resignation shall take effect on the date specified in the notice unless a successor Trustee shall have been appointed at an earlier date, in which event such resignation shall

take effect immediately upon the appointment of such successor Trustee.

In the event of the termination of the designation of any Trustee, or in the event of the resignation, death, incapacity or the unwillingness of any of the Trustee to serve, a successor Trustee shall be designated in accordance with Section 3 of this Article. The remaining Trustees shall be notified of such designation by an instrument in writing.

Any successor Trustee designated as herein provided shall affix his signature to a certificate of acceptance of this Agreement and Declaration of Trust as provided in Section 2 of this Article, and shall, without further act, become vested with all the estate rights, powers, discretions and duties of his predecessor Trustee.

Any retiring or terminated Trustee shall forthwith turn over to the remaining Trustees at the office of the Pension Fund any and all records, books, documents, monies and other property in his possession which are a part of the Pension Trust Fund and incident to the fulfillment of the Trustees' duties and responsibilities under this Agreement and Declaration of Trust.

The powers of the Trustees to act, as above provided in this Trust Agreement, shall not be impaired or limited in any way pending the designation of a successor Trustee to fill any vacancy.

Section 6. Term of Trustees. A Trustee shall continue to serve until his death, permanent incapacity, resignation, removal, or expiration of his term as established by the party designating the Trustee.

Section 7. Payment of Trustees. No Trustee shall receive compensation from the Fund for the performance of his duties as a Trustee except as may be allowed under the Act and as may be authorized by the remaining Trustees; however, each Trustee shall be reimbursed from the Fund for all reasonable and necessary expenses which he incurs in the performance of his duties as a Trustee. The Trustees shall establish the conditions for the payment of compensation (if any) and for the reimbursement of expenses.

Section 2. Meetings of the Trustees. Regular meetings of the Trustees shall be held at such times and places as may be agreed upon by the Chairman and Co-Chairman. Reasonable notice of the meetings shall be provided, except that meetings may be held at any time without notice if all the Trustees consent thereto in writing. The Trustees shall meet at least once each year and at such other times as they deem it necessary to transact their business.

At all meetings, the Employer and the Union Trustees shall have equal voting strength.

Section 5. Majority Vote of Trustees. All action by Trustees shall be by majority decision of those voting. In the event an Employer Trustee(s) or a Union Trustee(s) is absent, and no alternate(s) have been appointed for a meeting, the remaining Union or Employer Trustees shall each have one and one-half (1 1/2) votes or three (3) votes, depending on the number of absent Trustees, but in no event shall either the Employer Trustees or the Union Trustees have more than three (3) votes respectively. Such majority decision shall govern not only this Article but any portion of this Agreement and Declaration of trust which refers to action by the Trustees. In the event any matter presented for decision cannot be

decided because of a tie vote or the lack of a quorum at two successive meetings, the matter shall be submitted to arbitration, as set forth in Article IX hereof.

Section 6. Minutes of Meetings. The Trustees or their designee shall keep minutes of all meetings, but such minutes need not be verbatim. Copies of the minutes shall be sent to all the Trustees and to such other persons as the Trustees may direct. Minutes of a meeting shall be reviewed and approved by the Trustees at the next meeting.

Section 5. Personal Liability. No Trustee shall be liable or responsible for his own acts or for any acts or defaults of any other fiduciary or party in interest or any other person except to the extent liability is imposed by the Act.

The Trustees, to the extent permitted by the Act, shall incur no liability in acting upon any instrument, application, notice, request, signed letter, telegram or

other paper or document believed by them to be genuine and to contain a true statement of facts, and to be signed by the proper person.

Section 6. Reliance on Written Instruments and Professional Advice. Any Trustee, to the extent permitted by the Act, may rely upon any instrument in writing purporting to have been signed by a majority of the Trustees or the Chairman and Co-Chairman as conclusive evidence of the fact that a majority of the Trustees have taken the action stated to have been taken in such instrument.

The Trustees may, from time to time, consult with the Trust Fund's legal counsel, actuary and any other professionals, and to the extent permitted by the Act, the Trustees shall be protected in acting upon the advice of such professionals.

Section 7. Reliance by Others. No party dealing with the Trustees shall be obligated to see to the application of any funds or property of the Trust Fund to the stated Trust or to see that the terms of this Trust Agreement have been complied with or to inquire into the necessity or expediency of any act of the Trustees. Every instrument executed by the Trustees shall be conclusive evidence in favor of every person relying thereon that at the time of the execution of said instrument, the Trust was in full force and effect, that the instrument was executed in accordance with the terms and conditions of this Trust Agreement, and that the Trustees were duly authorized and empowered to execute the instrument.

Section 8. Books of Account. The Trustees shall cause to be kept true and accurate books of account and records of all transactions of the Pension Trust Fund which shall be open to the inspection of each of the Trustees at all times and which shall be audited annually or more often, and at such times as the Trustees deem appropriate by a certified public accountant selected by the Trustees. Such audits shall be available at all times for inspection by the Employers, the Union and the Employees or their Beneficiaries at the principal office of the Pension Trust Fund.

Section 9. Surety Bonds. The Trustees and any employees who are empowered and authorized to sign checks and handle monies of the Pension Trust Fund shall be bonded by a duly authorized surety company, qualified to write such bonds, in such amounts as may be determined from time to time by the Trustees. All persons shall be fully protected in reliance that such instruments or documents or notices have been duly authorized and are binding on the Trustees and the Plumbers and Pipefitters National Pension Fund.

ARTICLE VI

CONTRIBUTIONS TO THE PENSION TRUST FUND

Section 1. Contributions Held in Trust. The Trustees declare that they will receive and hold the contributions herein provided for or any other money, income, rebate, dividend or return of premium or property which may be entrusted to them, as Trustees hereunder, with the powers and duties and for the uses, purposes and trusts set forth in this Agreement and Declaration of Trust.

Neither the Union, the Employer, Employees, or their Beneficiaries shall have any right, title or interest in or to the Trust Fund or any part thereof except as required by law.

Section 2. Encumbrance of Benefits. The Plumbers and Pipefitters National Pension Fund shall constitute an irrevocable trust for the sole and exclusive benefit of Employees and their Beneficiaries entitled to benefits under the Plan of Pension Benefits. All the benefits, monies or property shall be free from the interference and control of any creditor, and no benefits shall be subject to any assignment or other anticipation, nor to seizure or to sale under any legal, equitable or any other process; and in the event that any claim of benefit shall, because of any debt incurred by or resulting from any other claim or liability against any Employee, or Beneficiary, by reason of any sale, assignment, transfer, encumbrance, anticipation or other disposition made or attempted by

said Employee or Beneficiary, or by reason of any seizure or sale or attempted sale under any legal, equitable or other process, or in any suit or proceeding become payable, or be liable to become payable to any person other than the Employee or Beneficiary for whom the same is intended, as provided herein, pursuant hereto, the Trustees shall have power to withhold payment of such benefit to such Employee or Beneficiary until such assignment, transfer, encumbrance, anticipation or other disposition, writ, or legal process is canceled or withdrawn in such manner as shall be satisfactory to the Trustees. Until so canceled or withdrawn, the Trustees shall have the right to use and apply the benefits as to the Trustees may seem best, directly for the support and maintenance of such Employee or Beneficiary.

The Employers' contributions to be paid into the Pension Trust Fund shall not constitute or be deemed wages due to Employees nor shall the Pension Trust Fund be liable for or subject to the debts, contracts or liabilities of the Union, the Employers, or Employees.

No Employee shall have the right to receive any part of the contributions made to this Pension Trust Fund, except as provided by the Plan of Pension Benefits.

Section 3. Rate of Contributions. The Employer shall pay to the Trustees the amount of money as established and provided for in Collective Bargaining Agreements or signed stipulations between Employers and the Union.

Section 4. Mode of Payment and Report on Contributions. All contributions required by Collective Bargaining Agreements and signed stipulations shall be paid to the Trustees and shall be in the manner and form determined by the Trustees. The Employers shall make all reports on contributions required by the Trustees in the performance of their duties under this Agreement and Declaration of Trust. The Trustees may, at any time, designate a qualified representative to conduct an audit of the payroll and wage records of any Employer to permit the Trustees to determine whether such Employer is making full payment to the Trustees in the amounts required by a Collective Bargaining Agreement or signed stipulation. Any data or information furnished to the Trustees by an Employer or by the Union shall be held confidential and may not be disclosed by the Trustees to any third person, unless the Trustees shall decide that such disclosure is necessary for the proper administration of the Fund.

Section 5. Default in Payment. Each Employer shall be responsible only for making contributions that it is obligated to make, on behalf of its Employees,

pursuant to its Collective Bargaining Agreement or signed stipulation except as may be provided in this Agreement and Declaration of Trust or by the Act. Non-payment by an Employer of any contributions when due shall not relieve any other Employer of his obligation to make payments, nor shall non-payment by one Employer of any contribution when due impose upon any other Employer, Employer Association, or the Union any obligation with respect to such payments.

Insofar as payments by the individual Employer to the Fund are concerned, time is of essence. Regular and prompt payment of amounts due by individual Employers to this Fund is essential for the maintenance of the Fund, and it would be extremely difficult if not impracticable to fix the actual expense and damage to the Fund and to the pension program provided by the Fund which will result from the failure of an individual Employer to make such monthly payments in full within the time period. Therefore, payments, together with the completed reporting forms, are due on the twentieth (20th) day following the end of each calendar month, or if earlier, on the date provided for in the Collective Bargaining Agreement. If an Employer has failed to pay the amounts due when such amounts become due and payable, that Employer shall be considered delinquent. The Trustees may assess liquidated damages against any delinquent employer in the amount of 10% of the amount due if payment is not received by the due date. Any assessed liquidated damages may be added to and become a part of the amount due. The Trustees may also require any delinquent employer to pay interest at a rate up to 18% per annum, on the amount due from the date of delinquency until the date of payment. The Trustees may adopt reasonable rules and regulations to enforce the collection of delinquent contributions, including the assessment and collection of liquidated damages and interest and including the adoption of special rules applicable to Employers who are repeatedly delinquent.

The Trustees shall have the power to take any action to enforce the payment of contributions, liquidated damages, interest and other amounts due, including, but not limited to, the institution of or intervention in any legal, equitable, or administrative proceedings. All reasonable expenses incurred by the Fund in enforcing the payment of contributions, liquidated damages, interest, and other amounts due, including but not limited to reasonable attorneys' fees, accountants' fees, and court costs may be added to the obligation of the defaulting Employer in addition to the other amounts due. The employer agrees that such sums shall be included in any judgment issued by a court. The Trustees shall have authority to settle or compromise any claims, suits or legal

actions for less than the full amount due when in their discretion they deem it in the best interest of the Fund.

Section 6. Projection of Delinquency. Where an Employer is two or more months delinquent in making the contributions required on behalf of his Employees and has failed to submit the regular documents showing the Employees who worked for him and the hours worked, the Trustees may project as the amount of the delinquency the greater of the average of the monthly payments actually made by the Employer for the last three (3) months for which payments were made, or the average of the monthly payments made by the Employer for the last twelve (12) months for which payments were made. Such projection of delinquency may be made in lieu of demand for production of payroll documents, or upon failure to furnish such documents, in lieu of an audit. The projection may be used as a determination of payments due for each delinquent month, and may be used for purposes of any lawsuit, and no other proof need be furnished by the Trustees to any court or arbitrator to compute the total payments due from the Employer for all delinquent months, exclusive of interest, attorneys' fees and other costs set out in this Article. This provision shall not, however, limit the Trustees from seeking a greater amount than the projected delinquency if a greater amount is shown to be owed.

ARTICLE VII

PLAN OF PENSION BENEFITS

Section 1. Benefits. The Trustees shall have full discretion and authority to adopt a Plan of Pension Benefits which sets forth eligibility requirements, type, amount and duration of benefits that are to be provided equally and without discrimination to eligible Employees, based on what the Trustees determine to be within the financial limitations of the Pension Trust Fund provided, however, that no benefits, other than pension, annuity, severance and related benefits, may be provided for or paid under this Agreement.

Section 2. Eligibility Requirements for Benefits. The Trustees shall have full discretion and authority to determine questions of eligibility requirements for benefits and duration of benefits and to adopt rules and regulations setting forth same, which shall be binding on the Employers, Employees, their Beneficiaries and dependents and any other persons making claims.

Section 3. Written Plan of Benefits. The detailed basis on which payment of benefits is to be made, pursuant to this Trust Agreement shall be set forth in the Plan of Pension Benefits. Such Plan of Pension Benefits shall be subject to change or modification by the Trustees from time to time as they may, in their discretion, determine provided, however, that no such change or modification that increases the past service and/or future service benefits or involves a change in the eligibility requirements for participation in the Plan of Pension Benefits or in the eligibility requirements for any benefit under the Plan of Pension Benefits shall be adopted except by a resolution adopted by a majority vote of all members of the Board of Trustees, following advice by the actuarial consulting company to the Board of Trustees that any such change or modification is actuarially within the financial limitations of the Pension Trust Fund.

The Board of Trustees shall reduce the benefits when and to the extent that they are advised by the actuary that it is necessary to make any such reduction in order to stay within the financial limitations of the Plumbers and Pipefitters National Pension Fund.

Any change in or modification of the Plan of Pension Benefits made by the Board of Trustees shall be set forth in writing by the Trustees, with notice to the Employers and the Union.

Section 4. Internal Revenue Service and Labor Department Approval. The Trust and the Plan of Pension Benefits adopted by the Trustees shall be such as will qualify for approval by the Internal Revenue Service, United States Treasury Department, and will continue as a qualified Trust and Plan so as to ensure that the Employer contributions to the Plumbers and Pipefitters National Pension Fund are proper deductions for income tax purposes. In addition, the Plan of Pension Benefits adopted by the Trustees shall be such as will qualify for approval by the Department of Labor as required by applicable law. It is the intention of the Trustees to be in full compliance with all requirements of the Internal Revenue Code and the Act. The Trustees are authorized to make whatever applications are necessary with the Internal Revenue Service and Department of Labor to receive and maintain approval of the Trust and Plan of Pension Benefits.

Section 5. Limitation of Employer's and Union's Obligations. Neither any Employer nor the Union shall have any responsibility for the payment of any benefit under the Plan of Pension Benefits. The obligation of each Employer under the Plan shall be a several one and shall be limited, except as required by

the Act, to paying into the Pension Trust Fund the contributions that it is obligated to make on behalf of its Employees under the provisions of its Collective Bargaining Agreement or signed stipulation.

ARTICLE VIII

CONTROVERSIES AND DISPUTES

Section 1. Reliance on Records. In any controversy, claim, demand, suit at law or other proceeding between any Employer, Beneficiary or any other person and the Trustees, the Trustees shall be entitled to rely to the extent permitted by the Act, upon any facts appearing in the records of the Trustees, any instruments on file with the Trustees, with the Union or with the Employers, any facts certified to the Trustees by the Union or the Employers, and any facts which are of public record and any other evidence pertinent to the issue involved.

Section 2. Submission to Trustees. All questions or controversies, of whatsoever character, arising in any manner or between any parties or persons in connection with the Pension Trust Fund or the operation thereof, whether as to any claim for any benefits preferred by an Employee, Beneficiary or any other person, or whether as to the construction of the language or meaning of the rules and regulations adopted by the Trustees or this Trust Agreement, or as to any writing, decision, instrument or accounts in connection with the operation of the Pension Trust Fund or otherwise, shall be submitted to the Trustees, and the decision of the Trustees shall be binding upon all persons dealing with the Pension Trust Fund or claiming benefits thereunder.

Section 3. Settling Disputes. The Trustees may in their sole discretion compromise or settle any claim or controversy in such manner as they think best, and any majority decision made by the Trustees in compromise or settlement of a claim or controversy, or any compromise or settlement agreement entered into by the Trustees, shall be conclusive and binding on all parties interested in this Trust.

Section 4. Withholding Payments. In the event any question or dispute shall arise as to the proper person or persons to whom any payments shall be made hereunder, the Trustees may withhold such payment until there shall have been made an adjudication of such question or dispute which, in the Trustees' sole

judgment is satisfactory to them or until the Trustees shall have been fully protected against loss by means of such indemnification agreement or bond as they, in their sole judgment determine to be adequate.

ARTICLE IX

ARBITRATION

Section 1. Application of this Article. In the event the Trustees cannot decide any matter, issue or dispute because of a tie vote, or the lack of a quorum at two (2) successive regular or special meetings of the Trustees, then, in either such event, the Employer Trustees and the Union Trustees will attempt to agree upon the designation of an impartial umpire to decide the dispute. If, within ten (10) days after the occurrence of either of the two events referred to above no impartial arbitrator is agreed upon, any three Trustees may petition the United States District Court for the District of Columbia to appoint an impartial umpire. The decision of the impartial umpire so agreed upon or appointed shall be final and binding on all parties and persons concerned.

Section 2. Expenses of Arbitration. All reasonable and necessary costs and expenses incidental to the proceedings before the impartial umpire, including the fee, if any, of the impartial umpire and attorneys' fees incurred by any Trustee in connection with such dispute, shall be a proper charge against the Trust Fund and the Trustees are authorized and directed to pay such charges.

ARTICLE X

EXECUTION OF AGREEMENT AND DECLARATION OF TRUST

Section 1. Counterparts. This Agreement and Declaration of Trust may be executed in one or more counterparts. The signature of a party on any counterpart shall be sufficient evidence of his execution thereof.

Section 2. Written Instruments. Other Employers, as defined in Article 1, Section 5, may adopt and become a party to this Agreement and Declaration of

Trust by executing a Collective Bargaining Agreement or signed stipulation, wherein the Employer agrees to participate in the Pension Trust Fund pursuant to the terms of this Agreement and Declaration of Trust.

ARTICLE XI

AMENDMENTS TO AGREEMENT AND DECLARATION OF TRUST

Section 1. Amendment by Trustees. The provisions of this Agreement and Declaration of Trust may be amended to any extent and at any time by an instrument in writing, adopted by majority vote of the Trustees. Whenever any amendment is made a copy thereof shall be distributed to all Trustees. The Trustees shall have the power to establish the effective date of any amendment. It is expressly understood and agreed that no amendment shall direct any of the trust estate then in the hands of the Trustees from the purposes and objects of the Pension Trust Fund.

Section 2. Retroactive Effect. Any Amendment may have retroactive effect.

ARTICLE XII

Section 1. By the Trustees. This Agreement and Declaration of Trust may be terminated by an instrument in writing, executed by the Trustees upon the happening of any one or more of the following events:

No part of the corpus or income of the Pension Trust Fund shall be used for or diverted to purposes other than for the exclusive benefit of the Employees and their Beneficiaries or the administration expenses of the Pension Trust Fund. Under no circumstances shall any portion of the Pension Trust Fund, either directly or indirectly, revert or accrue to the benefit of any contributing Employer, or the Union.

Section 3. Notification of Termination. Upon termination of the Pension Trust Fund, in accordance with this Article, the Trustees shall forthwith notify the Union, Employers, and all other interested parties. The Trustees shall continue as Trustees for the purpose of winding up the affairs of the Pension Trust Fund.

ARTICLE XIII

Dear Applicant:

We have made a favorable determination on the plan identified above based on the information you have supplied. Please keep this letter, the application forms submitted to request this letter and all correspondence with the Internal Revenue Service regarding your application for a determination letter in your permanent records. You must retain this information to preserve your reliance on this letter.

Continued qualification of the plan under its present form will depend on its effect in operation. See section 1.401-1(b)(3) of the Income Tax Regulations. We will review the status of the plan in operation periodically.

The enclosed Publication 794 explains the significance and the scope of this favorable determination letter based on the determination requests selected on your application forms. Publication 794 describes the information that must be retained to have reliance on this favorable determination letter. The publication also provide examples of the effect of a plan's operation on its qualified status and discusses the reporting requirements for qualified plans. Please read Publication 794.

This letter relates only to the status of your plan under the Internal Revenue Code. It is not a determination regarding the effect of other federal or local statutes.

Issues arising from the amendment of a defined benefit plan's benefit formula to convert that formula into a cash balance type benefit formula are under study, and this determination letter does not express an opinion on any of these issues. A cash balance type formula generally defines a benefit for each employee by reference to a single-sum amount, such as 10 percent of final average pay times years of service, or the amount of the employee's hypothetical account balance.
